SUBMISSION OF FORMAL DRAWINGS**

Applicants interviewed the Examiner on January 8, 2003. The Examiner agreed to withdraw the Final action of October 11, 2002. The Examiner also elected to perform an additional search in lieu of immediately allowing the application. The application is, therefore, no longer under Final and is now pending.

Applicants submit the enclosed formal drawings to replace the original drawings, which were submitted with the application. The formal drawings reproduce the subject matter of the original, informal drawings, and contain no new matter.

Early and favorable action is earnestly solicited.
